Attainment of COs :By Direct Method:

Department of Mathematics Course Outcomes (COs) of Abstract Algebra staed on website:

After completing this course student will be able to

1. Use the concept of basis and dimension of vector spaces linear dependence and linear independence, to solve problems.
2. Use the concept of inner product spaces to find norm of vectors, distance between vectors, and check the orthogonality of vectors, to find the orthogonal and orthonormal basis.
3. Apply the properties of linear transformations to linearity of transformations, kernel and rank of linear transformations, inverse transformations to solve the problems of matrix transformations change of basis.

At the end of academic year exams are conducted by Dr.BAMU Abad.university. and result declared below.

Attainment of COs : By Indirect Method:

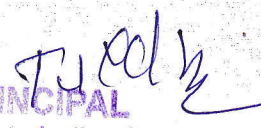

Program outcome of English subject stated on website:

1. Students are able to communicate in English at the places like Railway station
2. The students can communicate in English at the work places.
3. The student attains personality development.

For the attainment of objectives, along with the curriculum prescribed by the university, English offers certificate course.

Outcome of Certificate Course_

- Students are able to speak in good English.
- They can write and read English.
- Students are confident in the college.
